Dear Sirs

I did not receive the clarification that I sought from the Court of Appeal to the linked deposition: <https://www.knowledgeassessmentanddissemination.com/post/appeal-proceedings-at-the-court-of-appeal-ca-2023-000750-1> nor from the County Court of Central London on the communications exchanged with Stripe as linked here: <https://www.knowledgeassessmentanddissemination.com/post/re-claim-e35ym660-case-progression-parliamentary-proceedings>.

In this regard Tide Bank had undertaken the investigation of these issues but I did not receive its final decision on how the matter is to be resolved and closed: see attached: ToTideBank(Your complaint about Tide £200 million)25Aug2024; ToAbbieFarragoTide(Your complaint about Tide)16Aug2024.docx.

Sirs, Is that it- the end of the matter with no damages and compensation let alone an apology to be issued to me?

Yours sincerely

Dear Tide

If you are speaking on behalf of all the 5000 odd perpetrators of terrorism and obstruction of justice that I have had to endure over the past 26 years of living in the United Kingdom, the offences contained as summarised in the proceedings with the Financial Ombudsman Service as linked here: <https://www.knowledgeassessmentanddissemination.com/post/press-release-concerning-the-financial-ombudsman-service> my demand for damages and compensation from whoever is found to be responsible ultimately for the victimisation and persecution is now £200 million.

I look forward to the negotiations in this regard as soon as possible.

Hello Abbie Farrago

On reflection, after especially this morning's incidents relating to the Court of Appeal, the Central London County Court, Stripe, and the around 5000 individuals engaged in the terror on me, it was not the fault of Tide that it too was dragged into the terroristic proceedings.

I would not wish to point to any single individual who organised the persecution on me out of my lawful duties to the State of the United Kingdom that I love to live in, and therefore with your agreement would now leave the matter as having been a learning experience for myself and I hope you and others.

Yours sincerely

Dr Shantanu Panigrahi

My name's Abbie Farrago and I'm part of the Complaints team here at Tide.

We've recently received your complaint through our financial provider - ClearBank. However, I'm afraid that we don't have enough information to begin investigating your concerns.

Can you please elaborate what your complaint is about and what you'd like us to review. I note that you've contacted the Financial Ombudsman Service, however, in your complaint form you refer to two other banking institutions - Barclays and Santander. Please explain what the issue is and what is Tide's involvement so that we can be on the same page and we can look further into this matter for you.

: Important according to Google magic. Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Hi Shantanu,

Thanks for reaching out and for sending that additional context over to me. I understand you have concerns regarding the status of your account. Allow me to give some information about this.

For a brief context, we are required to follow strict guidelines on the types of businesses we can and can't support. We're unable to work with any business that we believe poses elevated financial risk, legal liability, or violates our own policies; in this case, after a thorough review of your account, we have determined that your business falls within these categories.

That said and upon reviewing your account, we're very sorry, but as previously stated, your business falls under our list of Restricted Businesses and Activities in our Services Agreement:

<https://stripe.com/terms>

We understand that moving your business away from Stripe can take time. To help with the transition, we will give you until August 19, 2024 to switch your business to a new provider.

During this period, you can process payments and receive payouts as normal. After this date, your account will no longer be able to process payments. We will continue making payouts to your bank account until you receive all of your funds.

We wish you the best of luck with your business.

In case you have any additional clarification about this email, please feel free to let me know. I'd be glad to help.

All the best,

Audrina

Dear Stripe

If you recall, I gave it in writing to Stripe that whilst I wished for full and permanent restoration of the Account of The Conservative Libertarian Publications Limited at Stripe, your decision in the matter is final, whether or not Kent Police has been approached by Stripe before issuing to me the present clarification of your position.

I will run my JOIN IT Account (<https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk/>) with donations only since I have completed all the contractually necessary Onboarding with Stripe engaged. This means that the technicalities of Stripe's arrangement with JOIN IT should be such that my Membership Account remains intact so that I can keep it permanently active.

Hi Shantanu,

Thanks for reaching out and for sending that additional context over to me. I understand you have concerns regarding the status of your account. Allow me to give some information about this.

For a brief context, we are required to follow strict guidelines on the types of businesses we can and can't support. We're unable to work with any business that we believe poses elevated financial risk, legal liability, or violates our own policies; in this case, after a thorough review of your account, we have determined that your business falls within these categories.

That said and upon reviewing your account, we're very sorry, but as previously stated, your business falls under our list of Restricted Businesses and Activities in our Services Agreement:

<https://stripe.com/terms>

We understand that moving your business away from Stripe can take time. To help with the transition, we will give you until August 19, 2024 to switch your business to a new provider. During this period, you can process payments and receive payouts as normal. After this date, your account will no longer be able to process payments. We will continue making payouts to your bank account until you receive all of your funds.

We wish you the best of luck with your business.

In case you have any additional clarification about this email, please feel free to let me know. I'd be glad to help.

All the best,

Audrina

*In choosing for the Google Scholar research proposal topics, it is very-important to note that the choice of the topic will be the building block of a robust research study. Google Scholar contains numerous resources that provide people with an opportunity to find different kinds of research articles. Another strategy that I have used is to check what is topical and unexplored in the present literature to come up with relevant and unique ideas. No matter what area is of interest to you, technology, perhaps social sciences or health care, if done carefully, Google Scholar can successfully navigate you to an interesting research proposal that relates well to your subject and adds value to the academia.*

Sirs

As from the very next day Stripe has been the subject of my complaint that you have acted deceitfully and duplicitously in conspiracy with the State authorities, including Kent Police and the County Court of Central London officials and with others to scupper the prospects of a legitimate Political Party the TCLP-UK. This latest interception when I explicitly said to Stripe that I did not wish to enter into any direct discussions with Stripe on the matter following weeks of the false-pretences deliberations by Stripe must be resolved in the Court of Appeal under APPEAL PROCEEDINGS AT THE COURT OF APPEAL: CA-2023-000750 wherein I will produce my detailed evidence of the criminal conspiracy against my Company to the Judge at a Hearing of this Appeal.

**Comments:**

Stripe does not have a leg to stand on, because Tide Bank has continued to serve banking facilities to The Conservative Libertarian Publications Limited with one payment of £9.30 received from Stripe and PayPal has processed one Donation transaction on the website for Jill Jesson's membership; the Pay Pal account being also a business Account of the Company from inception. This is the reason that this PayPal email was sent into my Gmail Account which is associated with the PayPal business Account.

With the WhatsApp text just sent to Jill Jesson and she has not replied for I will explain the details of how the State authorities are continuing to terrorise me in accordance with the earlier concerns that I sent her, she is now trapped out of all proceedings. Further the website already has two other members apart from myself in Jill Jesson and Daneiswama Kutiwedi all legally acquired by the Conservative Libertarian Publications Limited.

So unless Stripe gives way there will have to be proceedings in the Court of Appeal under APPEAL: CA-2023-000750 where an injunction application has been deposited for this weekend, pending the full Appeal consideration for £200 million in damages and compensation to be made payable to me.

With regard to complaint investigation under CO/00999/23, I believe now that this proposal relates to my demand for a damages and compensation package with apology in excess of £200 million for Kent Police's negligence in determining the source of the persecution on me during the past 26 years by 5000 odd persons and institutions including the referred to Court of Appeal authorities.

Dear Sirs

With regard to complaint investigation under CO/00999/23, I believe now that this proposal relates to my demand for a damages and compensation package with apology in excess of £200 million for Kent Police's negligence in determining the source of the persecution on me during the past 26 years by 5000 odd persons and institutions including the referred-to Court of Appeal authorities.

Do you wish to investigate this matter further or can the payment be made to me now?

Yours sincerely

Dear Sir/Madam

I have patiently waited for Kent Police to arrange for the damages and compensation in this case for over nearly two years of negotiations, yet this morning I find that Kent Police take no action no matter who the perpetrators of civil damages on me are; this time it is Stripe Banking Services following the service of proceedings that is acknowledged by Stripe as shown below with no resolution in sight.

As the Court is aware I have paid £332 to HMCTS as Court Fee for this Claim against Kent Police and Kent Police refuses to budge.

Please bring this matter to the District Judge presiding over Claim J00ME572 for a listing immediately.

# DEFENCE STATEMENT ON HARASSMENT OFFENCE

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.

2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.

3. I have not sent any emails that has harassed anyone from my [Shanpanigrahi3000@gmail.com](mailto:Shanpanigrahi3000@gmail.com) account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my [Shanpanigrahi3000@gmail.com](mailto:Shanpanigrahi3000@gmail.com) account was hijacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.

4. My [shanpanigrahi@yahoo.co.uk](mailto:shanpanigrahi@yahoo.co.uk) was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.

5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.

6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.

7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious\_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

#### **Comments:**

This forces Medway County Court's District Judge to announce a listing **immediately** (that is by the Duty Judge today (Sunday) since the deadline that applies is Monday 19<sup>th</sup> August when Stripe has said it will close down the Account of The Conservative Libertarian Publications Limited at Stripe which the email specifically focuses on, leaving Kent Police's to respond to the matter of the 'Reactivation of the Injunction and Money Claims issue. For that it is matter for Forz Khan barrister and then the Legal Ombudsman if he does not budge from taking action against Kent Police. If Kent Police' is considering charges against me this is pre-empted by the deposition separately of the Injunction at Medway County Court for extensive Hearing of the matter in the fullest of details a-u of the Particulars of Claim submitted with the Notice of Issue. And Forz Khan will be one of the prime lawyers who acted against me as a co-conspirator.

If due to inaction by the District Judge the VishistaAdvaitaSampradaya(TCLS/TCLP-UK) website is closed down by JOIN IT and Stripe, he will be one of the officials who would be a co-conspirator when the matter gets to a Hearing of J00ME572.

No, it has not.

I did not hear from the Court of Appeal nor from the Medway County Court both of which had been informed that the matter required immediate judgment and directions, so it can only be assumed that the Injunction applications were not endorsed by the two Courts this morning as things stand now on the 19 August 2024 despite my clarification to Stripe as attached: ToStripeSupport(INJUNCTION RESULT)19Aug2024.docx.

It therefore remains to be seen whether there is to be the website functioning tomorrow morning as attached: VishistaAdvaitaSampradaya(TCLS\_TCLP-UK)MEMBERSHIP INFORMATION.docx.

Hi Dr. Shantanu,

Thanks for reaching out. I appreciate your patience and understanding as we work towards resolving your account issue.

Jumping right in, I noticed that you'd raised a duplicate case for this particular concern. I also noticed that my colleague is already working on this under the related case number: 15204738.

That said, to ensure a continuous and smooth workflow, I suggest you refer to the case mentioned above and respond to the email thread in that case if you need further assistance for your issue at hand.

In the meantime, if you have any concerns apart from this, please let me know. I'd be more than happy to assist.

Best,

Dear Sirs

With regard to complaint investigation under CO/00999/23, I believe now that this proposal relates to my demand for a damages and compensation package with apology in excess of £200 million for Kent Police's negligence in determining the source of the persecution on me during the past 26 years by 5000 odd persons and institutions including the referred-to Court of Appeal authorities.

Do you wish to investigate this matter further or can the payment be made to me now?

At 3.45 pm the Mobile Phone rang from a Spam Caller dialling from 0117 370 4420.

AT 4.10, activated the complaint at Tide by publishing my morning email to Tide (pages 44-46 of this book) in Daily Bulletin, tweeting it and posting it in United Kingdom as a Republic page of Facebook:

**Comment:**

This leaves me with the email returned to Stripe, copied to Court of Appeal, Medway County Court, Join It and Central London County Court for Defence purposes. There is no escape now for the Monarchists and I am safe, for I have asked for clarification from the Court of Appeal that I have acted lawfully on the matter; and judgment on this is inevitable of where is my £332 Injunction and Money Claims going on J00ME572 and E35YM660 (£100) if the Court's concerned cannot act. It will finally seal the case for United Kingdom as a Republic as formulated by TCLP-UK in its Policy/Constitution of the corruption in the State institutions and the Judicial and Law Enforcement authorities so that a Petition to the Petition Committee will be submitted if the website is closed down tomorrow morning with this summary only.

Change.org

Shantanu, a leading pensions expert says the new Government's approach to pensions is 'business as usual'. For my 96 year old father that's simply not good enough. Will you join my campaign to increase the tax threshold for state pensions?

Increase Tax Threshold and State Pension for Pensioners to Living Wage Amount

109,617 have signed Stephen Crofts's petition. Let's get to 150,000!

Sign now with a click

This petition is born out of a deeply personal concern. My 96-year-old father, like many pensioners, has spent his life contributing to society through work and contributions. He, along with countless others, has been part of company pension schemes or contributed to personal schemes during their working years. Their aim was simple - to supplement the state pension and secure a comfortable retirement.

However, the reality is far from this vision. The state pension is woefully inadequate and somewhat insulting considering the years of hard work these individuals have put in. It's disheartening that my father now worries about his taxed pension income in his golden years.

The current tax threshold for pensioners living solely on their pensions does not reflect the cost of living today. This needs change urgently! We call upon our government to raise this tax threshold up to the living wage amount allowing our respected elders to keep more of their income.

Furthermore, we urge an increase in the state pension up to at least the living wage amount as well. According to Age UK (2019), nearly 2 million older people are struggling financially with over a million considered poor by official standards due largely in part because they do not receive enough money from pensions.

Our elderly deserve better than financial stress after a lifetime of contribution! Let's give them dignity and security they deserve by ensuring they can keep all their hard-earned pensions no matter where it originates from!

Please sign this petition urging an increase in both tax thresholds for pensions and state pensions themselves!

Thank you for taking action today by speaking out against Japan's alarming decision to continue its cruel commercial whaling programme and to extend it by including vulnerable fin whales. If we don't speak out, more whales will die a slow and agonising death. Together, we can stop the suffering.

Please spread the word and share our petition with your friends and family.

We must save these magnificent animals before it's too late. See what else you can do >>

Together, we can protect animals, people, and the place we call home.

At around 2.00 pm I checked the Stripe Account through the JOIN IT ACCOUNT.

**You were notified of the reason why your account was closed via the email address that you have registered with Stripe.**

So the Stripe Account is still connected to the JOIN IT Account but I cannot expect any Members through the 'JOIN' function of the Website.

This was not satisfactory as I could not get the website working with donations only: so put the boot in with the publishing of the email sent out to Stripe, Court of Appeal, Medway County Court, Central London County Court and JOIN IT:

Hi Shantanu

First of all, a huge congratulations on your important life milestone. I wish you all the best in your practices and faith, and hope to see more of your work in my feed.

I'm hesitant to join a religion-led group, being an atheist myself, but thank you kindly for the invitation.

Wishing you all the best,

There is no escape for the State authorities now with the publication of the email to KMPTPALS for it lifts up the entirety of my Complaint that they will be forced to assess:

Truth will prevail, and truth will out. Twenty five years it took for the author to restore his reputation from the defamatory charge of being blameworthy of gross misconduct by the University of Greenwich which the State covered up and as a punishment on me incarcerated me in mental hospitals for my struggle for justice; tried to boot me out of the country, and concocted alleged charges of having sent out harassing and malicious emails to various people. *Divorce services encompass a wide range of support options designed to assist individuals through the process of legally ending a marriage. These services include legal representation, mediation, counseling, and financial planning. Experienced divorce lawyers can guide clients through the complexities of divorce law, ensuring that their rights are protected. Mediation services offer a less adversarial approach, allowing couples to work together to reach a mutually agreeable settlement. Counseling and support groups provide emotional support divorce services helping individuals cope with the challenges of divorce.*

Hi Shantanu

First of all, a huge congratulations on your important life milestone. I wish you all the best in your practices and faith, and hope to see more of your work in my feed.

I'm hesitant to join a religion-led group, being an atheist myself, but thank you kindly for the invitation.

Wishing you all the best,

Thank you Liam

You say you are an atheist: I have pondered about this for the past 25 years and studied it in considerable detail with the approach that I should be an atheotheist, rather than a theist or an atheist. That keeps the option open in case God if He exists truly would find a way of proving to the individual seeker of truth what the reality really is.

You do not have to become a Member of my Society, but it is a religion for me for without a framework for one's work in life one is like a ship without a rudder, bobbing along in the treacherous waters of living.

My society goes by the assumption that there is a Personal God but we live independently of any such God to do good works in our lives throughout our lives.

If one does not have 'thanksgiving' to a Personal God, one is being bombastic that one knows it all and is invincible as one strives to improve oneself to be constructive and productive to society.

So God exist and at the same time God does not exist, for one must not be attached to any concepts, including the concept that there is a Personal God.

I hope that this clarifies our Sampradaya's philosophy.

I would thank you for interacting with me in this matter, and look forward to further such discussions should you be inclined to enter into such matters.

It is and it is not. We believe that King Charles III and following on from him Prince of Wales the future King of the United Kingdom must sanction every one of our motives, for we live in a State that one should not fight against from within. That would be spitting on the plate that feeds one.

I am a gyan yogi, a scientist who has bridged the gap between East and West to bring a whole new perspective for what would be a peaceful and just society. I have at every step of the way subjected my thoughts to the scrutiny of the authorities in the State of the United Kingdom, and awaited their judgment, knowing that I will pull back from doing anything that is disruptive and runs against the wishes of the Monarch.

The Conservative Libertarian Society was formed following diagnosis of the humanity within the United Kingdom and the world, and it is for others to judge whether it is a positive contribution to the debate or should be thrown into the dustbin of history.

I am free.

Hi Shantanu,

Thank you for reaching out.

As mentioned in our previous email from July 18th 2024, since you are a political organisation raising funds on your own behalf, we requested you to provide us with a document or a link confirming your formal registration with the relevant authority (e.g official political party registration, NGO registration, etc).

We reviewed the most recent link [0] provided and it is not sufficient. Unfortunately, until you are properly licensed and provide us with proof stating the same, we won't be able to support your business through Stripe.

Thank you for your assistance.

I look forward to the resolution for it is of critical importance to me that I am found to have acted lawfully by the Medway County Court and through the Appeal process at the Court of Appeal if it has taken over the Case E35YM660 from the Central London County Court against the Prime Minister Sir Keir Starmer.

Dear Stripe

We are forming the structure and composition of our Society/the Political Party by due consultations with the Judicial and Law Enforcement authorities of the United Kingdom. As you are no doubt aware, these are highly sensitive and intricate negotiations and I await due clearance from Kent Police as to whether the TCLP-UK is a viable Political Party in the United Kingdom that can fight in elections to the House of Commons and locally in the Councils. I have said that whatever we do must be lawful.

This morning, perhaps the Medway County Court will acknowledge my application to resuscitate the matter and give us the necessary legal judgment that would be binding to both parties, The Conservative Libertarian Publications Limited and Stripe.

Sir, I set in motion a clear vision of how I would like to see the United Kingdom shape up to the challenges that the country faces in multifarious ways and I do not regret anything that I have engaged in, because my conscience is clear.

Accordingly, Stripe should do whatever it judges to be the correct decision for Stripe. I will not be contacting the Court authorities again. I have got better thing to do with my time here on Earth, having now exhausted my attempts to get TCLP-UK legalised.

Yours sincerely

Dr Shantanu Panigrahi
